

# Letter from the Christmas Elf

Welcome Letter

Dear \_\_\_\_\_,

my name is Albert. I am an elf.

I come from England.

Today, I moved to your home. I live behind the elf door.  
I am happy to be here for Christmas!

In England I help Santa . Now, I am here to bring Christmas fun.

I speak English. Can we talk in English?

Please write me a letter. Leave it in front of the elf door. Your parents will help you. It will be a lot of fun.

I will write back!

See you soon **Albert the Elf**
